Insp Lucas,
Russ, the below part should not have been inserted into the Traffic Plan and should have been sent in an email only.
The rectification will be made first thing tomorrow morning.
I apologize for any inconvenience.
《SAFTEY CONCERNS TO BE REVIEWED BY INCIDENT COMMANDER
Traffic Services has identified a safety concern that may have potential risk to Parliament, City infrastructure and the pedestrian contingent of the Freedom Convoy and general pedestrian use visiting Parliament or using Wellington St. Recommendation is to close Wellington St to all vehicular traffic. This will need to be reviewed and assessed by the incident commander.
This plan reflects one operational period. Should the event be extended, additional staffing plans will be required
Anticipated large gatherings of on-lookers and supporters congregating along the convoy routes and across Hwy 417 overpasses. Resources will not be allocated via this traffic plan.》
